

Interim Application Drafter

Legal

Document type: Letter / notice · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft an interim application for a temporary injunction or stay (Order XXXIX CPC) built around the three-fold test — prima facie case, balance of convenience and irreparable injury — with a supporting-affidavit note. Fill in the details below.

Purpose of this tool & output

Draft a stay or injunction application

How the output is used

Use the draft to seek urgent interim relief — a stay or injunction application setting out urgency, prima-facie case and balance of convenience.

Who receives it

It is filed before the court hearing the main matter and served on the opposite party.

How to submit / file it

File with the supporting affidavit and documents per the court rules, seeking ad-interim or interim orders; a lawyer settles and argues it.

Who should vet it

A litigation lawyer, to settle the grounds and argue the stay/injunction application.

Important cautions

AI-generated draft; an advocate must finalise and argue it.
