

NDA Drafting

Legal

Document type: Contract / agreement · Generated 13 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft a professional, enforceable Non-Disclosure Agreement under Indian contract law — mutual or one-way — with all standard clauses (definitions, confidentiality obligations, exclusions, term, return of information, remedies, governing law), plus a plain-English explanation of the key clauses. Enter the parties and purpose below.

Purpose of this tool & output

Describe your requirements and we draft a mutual or one-way NDA ready for review

How the output is used

Use the draft to put confidentiality in place before sharing sensitive information — a mutual or one-way NDA ready for review.

Who receives it

The NDA is between the disclosing and receiving parties; each side keeps a signed copy.

Fees & charges

Usually executed on plain paper or nominal stamp paper; the definition of confidential information and the term are the key content.

Who should vet it

A lawyer, to check the scope, term, carve-outs and remedy clauses before you rely on it.

Important cautions

AI-generated draft. Have a qualified lawyer review before execution.
