Purpose of this tool & output

Protect customers and staff from being poached

How the output is used

Use the draft to stop poaching of customers and staff — a non-solicitation covenant that is easier to enforce than a broad non-compete.

Who receives it

The covenant is between the company and the party bound; each keeps a signed copy.

Fees & charges

Usually part of an employment or services agreement on nominal stamp paper; the protected list and duration are the key content.

Who should vet it

An employment lawyer, to keep the scope and duration reasonable and enforceable.

Important cautions

AI-generated draft; a lawyer must review.
