

Legal Research Question Framer

Legal

Document type: Plan / SOP / strategy / guide · Generated 13 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Turn a vague issue into a structured research plan — precise sub-questions, likely applicable statutes, database search terms and the sources to check. It frames the research; it does not give a conclusion. Fill in the details below.

Purpose of this tool & output

Turn a vague issue into a structured research query

How the output is used

Use it to sharpen a vague legal issue — turn it into a structured research question with the right issues and keywords to search.

Important cautions

AI-generated research framework; verify law and read primary sources; not legal advice.
