This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft a fixed-term retainer agreement under Indian law — scope, monthly fee, TDS, confidentiality, independent-contractor status and termination. Fill in the details below.

Purpose of this tool & output

Draft a fixed-term retainer contract

How the output is used

Use the draft to engage a consultant on a fixed monthly retainer — scope, fee, term and what the retainer does and does not cover.

Who receives it

The agreement is between the company and the retained consultant; each keeps a signed copy.

Fees & charges

Usually on nominal stamp paper; the retainer fee, scope-cap and renewal terms are the key content.

Who should vet it

A lawyer, to keep the scope, IP and termination clauses clear so the retainer does not create employment.

Important cautions

AI-generated draft; a lawyer should review.
