This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Review a shareholders or JV agreement under the Companies Act — who really controls the board and key decisions, and clause-by-clause flags on reserved matters, transfer restrictions (ROFR, tag, drag), anti-dilution, deadlock, exit and non-compete, with minority protections. Paste the agreement and add context below.

Purpose of this tool & output

Review control, transfer and deadlock terms in an SHA/JV

How the output is used

Use it before you sign an SHA or JV — a review of the control, transfer and deadlock terms that decide your rights as a shareholder.

Who should vet it

A corporate lawyer, to confirm the control, exit and deadlock provisions before you sign.

Important cautions

AI-generated review; have a corporate lawyer verify.
