Legal

Document type: Financial model / analysis · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Paste a foreign-language legal document and get a clear English working summary — key terms, your obligations, the counterparty obligations, deadlines and risk flags — so you understand what you are dealing with before commissioning a certified translation. Paste the document below.

Purpose of this tool & output

Upload a foreign-language legal document and we summarise the key terms and obligations in English

How the output is used

Use it to grasp a foreign-language legal document fast — a summary of the key terms and obligations in English before you decide.

Who should vet it

A certified translator or lawyer, to confirm the summary against the original where the document is material.

Important cautions

AI-generated working summary, not a certified legal translation. For binding matters, obtain a certified translation and have a lawyer in the relevant jurisdiction review.
