

Supplier Contract Review

Logistics & Trade

Document type: Contract / agreement · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Reviews a supplier/vendor agreement, extracts the key commercial terms, rates each on risk and flags red flags and missing protections from your side. Use it before signing a supply contract. To draft a fresh supply contract instead of reviewing one, use the Supply Agreement Drafter.

Purpose of this tool & output

Upload your supplier agreement and we extract key terms and flag commercial risks

How the output is used

Use the review to extract key terms and flag commercial risks in a supplier agreement before you sign.

Who receives it

For your internal use and your lawyer; the supplier is not a recipient of the review.

Fees & charges

No government fee for the review; a lawyer charges a professional fee for a formal opinion.

Who should vet it

A commercial/contracts lawyer, for the price, quality, liability and termination clauses.

Important cautions

AI-generated review. Have a commercial lawyer review before signing.
