Logistics & Trade

Document type: Contract / agreement · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Drafts a supply agreement for goods with specifications, pricing, delivery, quality, Incoterm, payment and dispute terms, for domestic or cross-border trade. Use it to paper a new supplier relationship. To review a supplier's draft instead, use the Supplier Contract Review.

Purpose of this tool & output

Draft a supply contract for goods

How the output is used

Use the draft to set a supply contract for goods on clear terms of price, quality, delivery and liability.

Who receives it

The buyer and the supplier — both sign; a copy each.

Fees & charges

Stamp duty per your state; GST applies on the supply invoices.

Who should vet it

A commercial lawyer, for the price-variation, quality, penalty and force-majeure clauses.

Important cautions

AI-generated draft; a lawyer should review, especially cross-border terms.
