

Chartering & Charter Party Guide

Maritime, Shipping & Ports

Document type: Plan / SOP / strategy / guide · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Explains chartering — voyage, time and bareboat charters, the standard forms, key terms and who bears which costs and risks — for owners, charterers and brokers. Use it to understand and negotiate charters.

Purpose of this tool & output

Understand voyage, time and bareboat charters

How the output is used

Use it to understand voyage, time and bareboat charters — a chartering and charter-party guide covering the main charter types and terms.

Important cautions

Charter parties are complex contracts allocating significant cost and risk and small clause differences matter greatly. Use standard forms carefully and have a maritime lawyer or experienced broker review before fixing.
