Background

Produces a guide to trading marine equipment, spares, safety gear and supplies — sourcing and OEM lines, class-approved items, clients and the service model. Use it to build a marine-supplies trading or distribution business.

Purpose of this tool & output

Trade marine equipment, spares and supplies

How the output is used

Use it to trade marine equipment, spares and supplies — a marine supplies trading guide covering sourcing, inventory and delivery.

Important cautions

Marine safety and life-saving equipment must be genuine and class or type-approved and properly serviced; counterfeit or lapsed safety gear endangers lives and breaches rules. Source only approved equipment and maintain servicing and certification.
