Purpose of this tool & output

Comply with the Maritime Labour Convention

How the output is used

Use it to comply with the Maritime Labour Convention — the MLC 2006 seafarer rights, conditions and documentation obligations.

Important cautions

MLC obligations are enforced by flag and port-state control and cover extensive seafarer rights; the no-fee-to-seafarer rule is fundamental. Confirm current MLC and DG Shipping requirements and comply fully with seafarer protections.
