

Maritime Entity & Structure Advisor

Maritime, Shipping & Ports

Document type: Plan / SOP / strategy / guide · Generated 15 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Recommends the legal and ownership structure for a maritime business — entity type, flag and ownership rules for Indian-registered ships, tonnage-tax awareness and funding readiness. Use it when structuring for approvals and investment.

Purpose of this tool & output

Structure the entity for approvals and tax

How the output is used

Use it to structure the entity for approvals and tax — the ownership and key roles the regulator and tonnage-tax regime expect.

Important cautions

Ship-registration ownership rules, FDI and the tonnage-tax regime are specific and change and affect structuring; this is general guidance. Confirm current rules with a maritime-law and tax specialist and DG Shipping before structuring.
