Document type: Plan / SOP / strategy / guide · Generated 15 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Explains port disbursement accounts and husbandry services — proforma and final DA, cost components, funds and transparency, and crew and vessel husbandry. Use it to handle agency finances and husbandry professionally.

Purpose of this tool & output

Manage disbursements and husbandry

How the output is used

Use it to manage disbursements and husbandry — a port disbursement and husbandry guide for accurate, transparent principal accounts.

Important cautions

Disbursement accounts must be accurate, supported and transparent and advancing port costs ties up working capital; disputes damage principal relationships. Keep rigorous records and manage funds and estimates carefully.
