Maritime, Shipping & Ports

Document type: Plan / SOP / strategy / guide · Generated 29 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Explains setting up a DG Shipping-approved maritime training institute — STCW and pre-sea and competency and modular courses, approval, infrastructure and faculty. Use it to plan a maritime training institute.

Purpose of this tool & output

Set up a DG-approved maritime training institute

How the output is used

Use it to set up a DG-approved maritime training institute — the DG Shipping approval, courses, faculty and facilities an institute needs.

Important cautions

DG Shipping training-institute approval, infrastructure and faculty requirements are exacting and mis-selling placement to trainees is unethical and risky. Confirm the current DG approval requirements and keep career and placement claims honest.
