

Towage & Salvage Services Guide

Maritime, Shipping & Ports

Document type: Plan / SOP / strategy / guide · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Produces a guide to towage, tug and salvage services — tugs and equipment, port and harbour towage contracts, emergency and salvage, and safety and compliance. Use it to plan a towage or salvage business.

Purpose of this tool & output

Set up towage, tug or salvage services

How the output is used

Use it to set up towage, tug or salvage services — the assets, licences and operations a towage/salvage business needs.

Important cautions

Towage and especially salvage are high-risk, specialised and liability-heavy with specific legal regimes (towage conditions, salvage agreements). Use proper contracts and P&I cover and specialist expertise and prioritise safety.
