

# Content Repurposing Pack

Media & Entertainment

Document type: Plan / SOP / strategy / guide · Generated 28 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

## Background

Turns one long-form piece (article, transcript, episode, interview) into a full multi-platform pack: LinkedIn post, X thread, Instagram caption, WhatsApp status, newsletter section, blog outline, YouTube Shorts script and pull quotes. Use this to get maximum reach from a single asset. For a single output format instead, see the focused tools such as Long-to-Short Clip Script or Blog from Video.

## Purpose of this tool & output

Upload long-form content and we repurpose it into social posts, newsletter, blog, and shorts script

## How the output is used

Use the pack to repurpose long-form content into social posts, a newsletter, a blog and a shorts script.
