

Co-Production Proposal

Media & Entertainment

Document type: Plan / SOP / strategy / guide · Generated 13 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Drafts a co-production proposal: project overview, contribution split, rights/territory split, roles, recoupment waterfall and credits. Use this to pitch a partner to share cost and rights. To formalise once agreed, have a lawyer paper the deal (this is a proposal, not a contract).

Purpose of this tool & output

Propose a co-production partnership

How the output is used

Use the proposal to structure a co-production partnership — contribution, rights split and roles — before formal contracts.

Important cautions

AI-generated proposal; a media lawyer should paper the co-production deal.
