

Content Licensing Agreement

Media & Entertainment

Document type: Contract / agreement · Generated 15 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Drafts a content licensing agreement granting a platform or buyer defined rights to your content, with a plain-language summary of exactly what is and is not licensed plus a delivery-specs checklist. Use this to paper a straightforward licence deal. For a full distribution deal with minimum guarantee and revenue share use Distribution Agreement Drafter; to review a licence someone sent you use Creator & Talent Contract Review.

Purpose of this tool & output

Describe your licensing arrangement and we draft a rights agreement

How the output is used

Use the draft to set out a content licensing/rights arrangement, then get it vetted and stamped before signing.

Who receives it

The licensor and the licensee — both sign; a copy each.

Fees & charges

Stamp duty per your state; GST applies on the licence fee.

Who should vet it

A media/IP lawyer, for the rights granted, territory, term and royalty clauses.

Important cautions

AI-generated draft. Have an entertainment lawyer review before execution.
