

Subtitle (SRT) Generator

Media & Entertainment

Document type: Plan / SOP / strategy / guide · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Formats a transcript into SRT subtitle structure with sensible segmentation and reading-speed-aware cues. Use this to caption a video you have a transcript for. To translate content across languages use Content Translation & Localisation.

Purpose of this tool & output

Turn a transcript into a caption file

How the output is used

Use the generator to turn a transcript into a caption (SRT) file with correct timing.

Important cautions

AI-generated captions; sync timings against the actual media before publishing.
