

PPE Policy & Matrix

Manufacturing & Industrial

Document type: Policy · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get the right protective equipment for every job — a PPE policy and a job-wise PPE matrix, plus maintenance, training and enforcement. Fill in the details below.

Purpose of this tool & output

Right protective equipment for every job

How the output is used

Adopt the PPE policy and matrix to make the right protective equipment mandatory for every job.

Who receives it

Approved by management/the safety head; applies to all workers, staff, contractors and visitors on the floor.

Important cautions

AI-generated policy; match PPE to actual hazards and standards.
