

Mining Business Plan Builder

Mining, Metals & Minerals

Document type: Plan / SOP / strategy / guide · Generated 29 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a structured mining/quarrying business plan — deposit and market, production plan, approvals status, investment and projections, and funding ask — ready for a bank or investor. Fill in your details below.

Purpose of this tool & output

A bankable mining business plan

How the output is used

Use it to raise finance for a mine — a bankable business plan with reserves, production, costs, approvals and returns.

Important cautions

AI-generated plan; projections are illustrative.
