This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

## Background

Get a guide to renewing or transferring a mining/quarry lease in India — eligibility and current rules (including the post-2015 MMDR position on renewals and transfers), the application, dues clearance, and approvals. Fill in your context below.

## Purpose of this tool & output

Renew or transfer a mining lease cleanly

## How the output is used

Use it to renew or transfer a mining lease cleanly — the process, dues clearance and documents a lease renewal or transfer needs.

## Who receives it

The renewal/transfer is sanctioned by the State Government (Department of Mines) under the MMDR Act and Mineral Concession Rules.

## How to submit / file it

Apply with the updated mining plan, dues/royalty clearance and, for a transfer, the transferee documents and consent before the lease expires.

## Fees & charges

Dues/royalty clearance, fresh stamp duty and registration on a transfer deed, and any transfer charge per the rules.

## Who should vet it

A mining lawyer and RQP, to clear dues, update the plan and file a compliant renewal/transfer.

## Important cautions

AI-generated guide; renewal/transfer rules changed post-2015 and vary by mineral/state; consult a mining lawyer.
