

# EC Public Hearing Preparation Kit

Mining, Metals & Minerals

Document type: Plan / SOP / strategy / guide · Generated 28 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

## Background

Get a preparation kit for the environmental public hearing in the EC process — the executive summary for the public, likely community concerns and factual responses, presentation approach, and documentation — to run a credible, respectful hearing. Fill in your context below.

## Purpose of this tool & output

Prepare well for the environmental public hearing

## How the output is used

Use it to prepare well for the environmental public hearing — the presentation, responses and documents that carry the hearing.

## Important cautions

AI-generated kit; conduct the hearing per SPCB procedure and record faithfully.
