

Safety Committee & VTC Setup

Mining, Metals & Minerals

Document type: Plan / SOP / strategy / guide · Generated 15 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a guide to setting up the statutory safety committee and Vocational Training Centre (VTC) for a mine — composition, functions, meeting cadence, and the training programmes DGMS expects — so worker safety participation and training are in place. Fill in your context below.

Purpose of this tool & output

Constitute the statutory safety structures

How the output is used

Use it to constitute the statutory safety structures — the Safety Committee and Workmen Inspector (VTC) setup the Mines Act requires.
