

Governance Policy Builder

Nonprofit, NGO & Social Sector

Document type: Policy · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Drafts core governance policies — board roles, delegation, conflict of interest, committees and decision-making — each with a summary. Use this for a set of good-governance policies. Adapt to your legal form and approve at board level. For conflict of interest in depth use the Conflict of Interest Policy.

Purpose of this tool & output

Policies for good governance

How the output is used

Adopt governance policies that set the rules for good governance across board and management.

Who receives it

Approved by the board; applies to trustees/board and senior management.

Important cautions

AI-generated policies; adapt to your legal form and approve at board level.
