This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Helps identify the types of funders that fit your cause and how to find them — foundations, CSR, government schemes, bilateral, individual and crowdfunding — with fit criteria (cause, geography, grant size, stage), where to look (directories, portals, networks) and how to approach. Use this to build a funder shortlist. For the strategy across sources use the Fundraising Strategy Builder.
