This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Builds a volunteer recruitment kit — role descriptions, where to find volunteers (campuses, online, corporate), outreach copy and onboarding (induction, expectations) — with engagement (recognition, retention). Use this to attract and engage volunteers. Screen volunteers, especially for work with children. For ongoing management use the Volunteer Management System.

Purpose of this tool & output

Attract and engage volunteers

How the output is used

Use the kit to attract and engage volunteers who add real capacity.

Important cautions
