Pet Care & Veterinary

Document type: Licence / statutory filing · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a guide to registering and complying as a dog breeder (or marketer) under the Dog Breeding & Marketing Rules 2017 — registration, standards, records and inspections — so breeding/marketing is legal. Describe your situation below.

Purpose of this tool & output

Register and comply as a breeder

How the output is used

Use it to register and comply as a breeder — the registration a dog breeder needs under the Dog Breeding and Marketing Rules.

Who receives it

The registration is with the State Animal Welfare Board (SAWB), under the AWBI-administered Dog Breeding and Marketing Rules (PCA Act).

How to submit / file it

Apply with the facility, animals, veterinary tie-up and welfare-compliance details; an inspection of housing and welfare precedes registration.

Fees & charges

A registration fee and periodic renewal per the rules; non-registration attracts penalty and closure.

Who should vet it

A veterinarian and the State Animal Welfare Board, which inspect welfare compliance before registration.

Important cautions

AI-generated guide; breeding/marketing registration and standards are mandatory under DBMR 2017 - confirm current rules with the State Animal Welfare Board.
