This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a hiring kit for a groomer or animal handler — job description, must-haves (skill, gentle handling, patience), a practical grooming/handling test, and interview questions — to hire skilled, gentle staff. Describe the role below.

Purpose of this tool & output

Hire skilled, gentle groomers and handlers

How the output is used

Use it to hire skilled, gentle groomers and handlers — a hiring kit across skill, animal-handling and safety.

Important cautions

AI-generated kit; a practical handling/grooming test reveals real skill and gentleness - weight it heavily.
