This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Produce a grooming safety and handling SOP — safe restraint and low-stress handling, equipment safety, handling difficult/aggressive pets, and injury/incident response — so grooming is safe for pets and staff. Describe your context below.

Purpose of this tool & output

Keep pets and groomers safe

How the output is used

Use it to keep pets and groomers safe — a grooming safety and handling SOP that prevents bites, injury and stress.

Important cautions

AI-generated SOP; never leave a pet unattended on the table; refer aggressive/health-compromised pets appropriately.
