This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a practical GST guide for a pet-care business — rates on services (grooming, boarding, vet consultation) and products (food, accessories), registration, input credit, and invoicing — so billing and returns are compliant. Describe your business below.

Purpose of this tool & output

Handle GST on pet services and products

How the output is used

Use it to handle GST on pet services and products — when GST registration applies and how services and product sales are taxed.

Who receives it

The GST department (Central/State GST), via the GST portal.

How to submit / file it

File online on the GST portal (gst.gov.in) with PAN, proof of business, bank and address documents; an officer may seek clarification.

Fees & charges

No government fee for registration; a practitioner may charge a professional fee.

Who should vet it

A GST practitioner or CA, especially for classification and place-of-supply questions.

Important cautions

AI-generated guide; pet services vs products vs medicines fall in different GST slabs - confirm with a tax professional.
