

C&F / Distribution Agreement

Pharma, Chemicals & Life Sciences

Document type: Contract / agreement · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Drafts a carrying and forwarding (C&F) or distribution agreement — a clause-by-clause draft covering territory, storage and handling, margins and charges, stock and returns, expiry handling, compliance and licences, payment, and term and termination. Use this to formalise a C&F agent or stockist arrangement. Have it reviewed by a lawyer.

Purpose of this tool & output

Agreements with C&F agents and stockists

How the output is used

Use the draft to appoint a C&F agent or stockist on clear terms — scope, stock handling, margins and liability — then have a lawyer review it before signing.

Who receives it

The principal (you) and the C&F agent or stockist — both sign; a copy for each party.

Fees & charges

Stamp duty per your state on the agreement; no government filing is needed.

Who should vet it

A lawyer for the stock-handling, liability and termination clauses; a CA on the margin and settlement terms.

Important cautions

AI-generated template; have it reviewed by a lawyer before signing.
