

Testing / Service Agreement

Pharma, Chemicals & Life Sciences

Document type: Contract / agreement · Generated 15 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Drafts a testing or service agreement — a clause-by-clause draft covering scope of services, standards and methods, turnaround, confidentiality, data integrity, liability and term. Use this to engage labs and service providers (e.g. a third-party testing lab or CRO). Have it reviewed by a lawyer.

Purpose of this tool & output

Engage labs and service providers

How the output is used

Use the draft to engage a testing lab or service provider on clear scope, turnaround and confidentiality terms, then have a lawyer review it.

Who receives it

You (the client) and the testing lab or service provider — both sign; a copy for each party.

Fees & charges

Stamp duty per your state on the agreement; no government filing is needed.

Who should vet it

A lawyer for the scope, turnaround, confidentiality and liability clauses; QA on the lab-accreditation and test-scope terms.

Important cautions

AI-generated template; have it reviewed by a lawyer before signing.
