Background

Use it to add a teaching line. For content use the Reels & Video Content Strategy (via marketing).

Purpose of this tool & output

Monetise your expertise by teaching

How the output is used

Use it to monetise your expertise by teaching — a teaching, workshops and mentorship plan across format, pricing and reach.

Important cautions

Teaching (workshops/courses/mentorship) monetises your expertise AND builds authority that feeds bookings and referrals; start with what you are genuinely expert at, and weigh the time/effort against your shooting income. Do not teach away your edge to local competitors carelessly.
