Background

Builds a wedding film concept and shooting plan — the film style and structure (teaser/highlight/full), the story and key moments/audio to capture, cinematographer coordination with photographers, and delivery formats — so your wedding films are cinematic and consistent. Use it to plan wedding video. For editing use the Video Editing Workflow tool.

Purpose of this tool & output

Plan cinematic wedding films that wow

How the output is used

Use it to plan cinematic wedding films that wow — a wedding film concept and planning guide from story to shot.

Important cautions

Plan the film story and capture the audio (vows, speeches, a couple interview) that makes a wedding film emotional; coordinate cinematographers with photographers to avoid clashing. Use only licensed music in the edit.
