

Commodity Board Registration Guide

Plantation & Commercial Crops

Document type: Licence / statutory filing · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Explains registration with the relevant commodity board (Tea, Coffee, Rubber or Spices Board) — who must register, benefits, documents and the process. Use it to register and unlock board schemes and export benefits.

Purpose of this tool & output

Register with the Tea, Coffee, Rubber or Spices Board

How the output is used

Use it to register with the Tea, Coffee, Rubber or Spices Board — the commodity board registration a plantation of that crop needs.

Who receives it

The registration is with the relevant commodity Board (Tea Board, Coffee Board, Rubber Board or Spices Board) under its Act.

How to submit / file it

Apply with the estate area, ownership, crop and planting details; a field verification may precede the registration certificate.

Fees & charges

A registration fee per the Board rules and periodic renewal; registration is needed to access board schemes, auctions and export benefits.

Who should vet it

The relevant commodity Board and a plantation consultant, who verify the estate and area before registration.

Important cautions

Board registration categories, benefits and processes differ by board and change; scheme eligibility often depends on registration. Confirm the current requirements with the relevant commodity board before applying.
