This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Guides acquisition of plantation land — title and tenure due diligence, land-ceiling and conversion rules, lease versus purchase and documentation. Use it to acquire land without legal traps.

Purpose of this tool & output

Acquire plantation land correctly

How the output is used

Use it to acquire plantation land correctly — the ownership, tenure, title and conversion checks land for an estate needs.

Important cautions

Land title, ceiling and classification rules are state-specific and complex and plantation land often has tenancy or forest or tribal restrictions. Engage a local property lawyer for title verification and confirm ceiling and conversion before any transaction.
