

Annual Rate Contract

Printing & Packaging

Document type: Contract / agreement · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft an annual rate contract for print/packaging supply — item-wise rates, validity and revision triggers, order and delivery terms, and quality standards — so repeat orders are placed at pre-agreed rates. Fill in the terms below.

Purpose of this tool & output

Fix rates for a year of print orders

How the output is used

Use the draft to fix rates for a year of print orders — rate schedule, escalation, volume and validity — reviewed by a lawyer.

Who receives it

The agreement is between the print unit and the customer; each keeps a signed copy.

Fees & charges

Stamp duty per your state stamp act where applicable; the rate schedule, escalation and validity terms are the key content.

Who should vet it

A lawyer, to check the rate-escalation, validity and volume-commitment clauses before signing.

Important cautions

AI-generated draft; have a lawyer review before signing.
