Packaging Consignment Stock Agreement

Printing & Packaging

Document type: Contract / agreement · Generated 27 Aug 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft a consignment-stock agreement for packaging — supplier holds agreed stock at the customer or a hub, ownership and billing on consumption, min/max levels and reconciliation — for JIT packaging supply. Fill in the terms below.

Purpose of this tool & output

Hold stock at the customer, bill on use

How the output is used

Use the draft to hold stock at the customer and bill on use — a packaging consignment stock agreement across ownership, replenishment and billing — reviewed by a lawyer.

Who receives it

The agreement is between the supplier and the customer holding the consignment stock; each keeps a signed copy.

Fees & charges

Stamp duty per your state stamp act where applicable; the ownership-until-use, billing-trigger and stock-liability terms are the key content.

Who should vet it

A lawyer, to check the ownership, billing-trigger, shrinkage and liability clauses before signing.

Important cautions

AI-generated draft; have a lawyer review before signing.
