

Garment Printing Guide

Printing & Packaging

Document type: Plan / SOP / strategy / guide · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get guidance on the best garment-decoration method for a job — screen, DTG, DTF, sublimation, vinyl or embroidery — matched to fabric, design, quantity and durability, with process notes. Describe the job below.

Purpose of this tool & output

Pick the right method for apparel printing

How the output is used

Use it to pick the right method for apparel printing — a garment printing guide across screen, DTG and transfer.

Important cautions

AI-generated guidance; test on the actual fabric first.
