Document type: Contract / agreement · Generated 16 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft a printing job-work agreement between a printer and a customer — scope, specifications, pricing, tolerances, timelines, artwork responsibility and liability — so ongoing print work runs on clear terms. Fill in the details below.

Purpose of this tool & output

Contract printing work on clear terms

How the output is used

Use the draft to contract printing work on clear terms — scope, spec, price, delivery, tolerance and liability — reviewed by a lawyer.

Who receives it

The agreement is between the print unit and the customer; each keeps a signed copy.

Fees & charges

Stamp duty per your state stamp act where applicable; GST is handled in invoicing, and the spec, tolerance and payment terms are the key content.

Who should vet it

A lawyer, to check the spec, tolerance, liability and payment clauses before signing.

Important cautions

AI-generated draft; have a lawyer review before signing.
