

Paper / Board Supply Agreement

Printing & Packaging

Document type: Contract / agreement · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Draft a paper or board supply agreement from a mill or trader to your print unit — grades and specs, price and revision, delivery and credit — to secure raw-material supply on agreed terms. Fill in the details below.

Purpose of this tool & output

Secure raw material supply and price

How the output is used

Use the draft to secure raw material supply and price — quality, price mechanism, delivery, credit and liability — reviewed by a lawyer.

Who receives it

The agreement is between the print unit (buyer) and the paper/board supplier; each keeps a signed copy.

Fees & charges

Stamp duty per your state stamp act where applicable; the quality, price-mechanism and credit terms are the key content.

Who should vet it

A lawyer, to check the quality-warranty, price-mechanism and credit clauses before signing.

Important cautions

AI-generated draft; have a lawyer review before signing.
