

# Print Quotation Builder

Printing & Packaging

Document type: Plan / SOP / strategy / guide · Generated 14 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

## Background

Generate a professional, itemised quotation for a print or packaging job — specification, quantities and slabs, price, taxes, validity, and terms — ready to send to a customer. Enter the job and pricing below.

## Purpose of this tool & output

Turn a spec into a clean customer quote

## How the output is used

Use it to turn a spec into a clean customer quote — a quotation builder that presents scope and price clearly and wins work.

## Important cautions

AI-generated quotation; verify prices before sending.
