

Sublimation Printing Guide

Printing & Packaging

Document type: Plan / SOP / strategy / guide · Generated 16 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Get a sublimation production guide for a product — substrate suitability, paper and ink, colour handling, and time/temperature/pressure settings — for polyester fabric or coated hard goods. Describe the product below.

Purpose of this tool & output

Sublimate on fabric and hard goods

How the output is used

Use it to sublimate on fabric and hard goods — a sublimation printing guide across substrate, heat and time.

Important cautions

AI-generated guidance; fine-tune settings with test pieces.
