Purpose of this tool & output

Every licence a pharmacy needs

How the output is used

Use it as your master checklist of every licence a pharmacy needs — drug licence, pharmacist, GST, shops and more, in order.

Important cautions

A retail drug licence (Form 20/21) and a registered pharmacist are mandatory; wholesale needs Form 20B/21B, and narcotic/Schedule-X drugs need special licences. Requirements and forms vary by state Drugs Control. Confirm exact requirements with the state Drugs Control department before operating.
