This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Builds an alumni-relations program — maintaining an alumni database, engagement and events, showcasing alumni success as proof, mentoring current students, and support/giving-back — so alumni become advocates, role models and a reputation asset. Use it to build an alumni network. For reputation use the Reputation & Review Management tool.

Purpose of this tool & output

Turn alumni into advocates and role models

How the output is used

Use the tool to turn alumni into advocates and role models.

Important cautions

Handle alumni data with consent and privacy; alumni success stories are powerful, credible proof for prospective parents, and alumni mentors are a genuine gift to current students.
