Background

Builds a school compliance calendar — board/affiliation filings, safety-certificate renewals, RTE and mandatory-disclosure obligations, labour/tax filings, committee meetings and audits — with frequencies and reminders, so nothing statutory lapses. Use it to stay compliant. For what applies use the RTE Act Compliance Overview tool.

Purpose of this tool & output

Every filing, renewal and mandate on one calendar

How the output is used

Use the calendar to put every filing, renewal and mandate on one place.

Important cautions

Obligations and dates vary by board and state and change; confirm with your board portal and consultants. Do not let safety certificates or committee meetings lapse — both carry serious consequences.
