

Student Counselling & Wellbeing Program

School Administration

Document type: Plan / SOP / strategy / guide · Generated 15 Oct 2026

This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Builds a student counselling and wellbeing program — counsellor role, identifying and supporting students in distress, life-skills and mental-health awareness, referral pathways, and exam-stress support — so student wellbeing is proactively cared for. Use it to set up student support. For special needs use the Inclusive Education & Special-Needs Support tool.

Purpose of this tool & output

Support student mental health and wellbeing

How the output is used

Use the program to support student mental health and wellbeing.

Important cautions

Student mental health needs sensitive, confidential handling and professional referral for serious concerns; teachers should spot and refer, not diagnose. Involve parents appropriately and safeguard the child.
