This guide explains what the tool produces, how to use the output, and what to watch for. The actual output (draft/report) is generated on the tool page.

Background

Builds a fair, lawful approach to fee defaulters — a graded reminder and engagement process, distinguishing genuine hardship from wilful default, lawful recovery steps, and strict avoidance of harming or humiliating the child — so you recover dues without legal or ethical breach. Use it for persistent non-payers. For the collection system use the Fee Collection & Reminder System tool.

Purpose of this tool & output

Recover dues lawfully and humanely

How the output is used

Use the tool to recover dues lawfully and humanely without harming the child.

Important cautions

Courts and child-rights bodies have restrained schools from humiliating children or denying education/exams over parents fee dues; never target the child. Pursue dues lawfully from parents and route genuine hardship to concessions. Consult a lawyer for recovery.
